

LARGE PARTY POLICIES

- Multiple reservations cannot be made for the same group of guests. Reservations and guest parties cannot be combined once arriving at the restaurant. Any addition or adjustment to a group reservation is contingent upon availability and must be approved 24 hours in advance.
- Arnette's Chop Shop does not seat incomplete parties. Please ensure that you and all of your guests arrive in a timely manner for your reservation.
- Arnette's Chop Shop will hold a guest reservation for 20 minutes past the initial reservation time. After twenty minutes, the table will be released, and the pending party reservation will be placed on a wait list.
- Guest parties consisting of 10 or more people are required to order from one of our tiered fixed price menus which will be provided when the reservation is made. The fixed price menu will include a 20% gratuity charge. The selection and confirmation of a tiered menu is required no later than 48 hours in advance of the large party reservation. Guest parties consisting of 10 or more people are not permitted to order from our a la carte menu.
- Parties of 8 or more guests require a deposit of \$300.00. The deposit needs to be made at the time of making the reservation and placed on a Word of Mouth Restaurants gift card and redeemed towards the final bill at the conclusion of the meal/event. The large party deposit is nonrefundable. In the event of a cancellation within the 24-hour cancellation notice window, the gift card will be mailed to a specified address or physically picked up at Arnette's Chop Shop. The gift card may be redeemed at any of our Word of Mouth Restaurants.
- Arnette's Chop Shop does not separate individual guest checks. The total check amount for a large table may only be divided into equal increments.

Arnette's Chop Shop strictly enforces a dress code which is clearly defined and posted on our website: arnetteschopshop.com. These policies allow us to offer all of our guests a superior level of service and hospitality when dining at Arnette's Chop Shop.
